WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION
(37 CFR § 1.137)

Dear Sir:

Applicant hereby respectfully submits the following petition under 37 C.F.R. §1.137, allowing Applicant to retain the proper submission of the required fees in the above identified application.

Applicant respectfully acknowledges that after learning of the Notice of Allowance, a timely filed Issue Fee Payment was duly recorded on November 23, 2005. On that same day, a Notice of Fee Due was made of record, yet never sent to Applicant. There was authorization to charge Applicant's Deposit Account for the requisite fees. However, only a portion of the fees were taken from the Deposit Account, with the remainder being the subject of the Notice of Fee Due.

Applicant acknowledges having learned of this Notice of Fee Due only after examining the file wrapper in the above-mentioned application. Immediately upon learning of the Notice of Fee Due, Applicant submitted the requisite authorization to pay the remainder of the fees (\$1,400) on

January 23, 2006. Applicant respectfully submits it is clear from the file wrapper that the Notice of Fee Due was never sent to Applicant. It appears of record merely as an Internal Document.

Applicant understands, under 37 C.F.R. §1.8(c), the Office may require additional evidence in order to determine whether the correspondence was timely filed. Applicant further directs the Office to the file wrapper in the application, showing the receipt of the Issue Fee and the payment recorded on November 23, 2005, which was within the statutory period of three months from the mailing date of the Notice of Allowance (August 24, 2005). Applicant respectfully requests reconsideration of the Notice of Abandonment under 37 CFR § 1.137, as the application was unintentionally abandoned.

Applicant believes this matter to be resolved upon receipt of this Petition. Applicant hereby authorizes the Office to pay the requisite fees due under 37 C.F.R. §1.17(m) from Deposit Account No. 502235. If there are any questions or comments, Applicant's attorney may be reached at the telephone number state below.

Respectfully submitted,

Dated: April 21, 2006
